PRINCIPAL'S MESSAGE

MR. JEEVAN VERMA
PRINCIPAL, KV SEHORE

It is a matter of great pride and joy that KV Sehore is publishing e-newsletter. This newsletter is the showcase of all the activities performed by the primary students and teachers during the academic session 2020-21 in midst of current pandemic.

As children have potential to learn new things in everyday life. By day to day learning they feel confident in solving problems not only of text books but of life too. KVS programmes in Vidyalayas channelises their energy in the right direction. Nurturing young talent and giving them platform is the sole purpose of all activities.

I whole heartedly support our teacher's effort in pursuing KVS objective and mission at this hard time. Their zeal and enthusiasm will go a long way in building a healthy, strong and responsible citizen of future.

अधूरा ज्ञान

एक समय की बात है एक गाँव में दो भाई रहते थे। उनमें से एक बहुत गरीब और एक बहुत अमीर था। जो बहुत गरीब व्यक्ति था वह रोज मेहनत करके परिवार का पालन पोषण करता था। एक दिन वह गरीब व्यक्ति जंगल में एक पेड़ के नीचे बैठा उदास था तभी वहाँ अचानक एक बुढ़िया आई और बोली बेटा तुम इस जंगल में ऐसे उदास क्यों बैठे हो तो वह बोला ! माँ जी मैं बहुत दुखी हूँ मेरी रोज किन कमाई से मेरे परिवार और मेरे बच्चों का पालन पोषण नहीं हो पाता यह सब स्थिति उसने उस बुढ़िया को बताई यह सब सुनकर वह बुढ़िया ने उसे एक ही चक्की दी और कहा लो बेटा इस चक्की से अपना गुजारा कर लेना।

संविधान

संविधान देश का कानून है। इसे धर्म शास्त्र विधि शास्त्र के नाम से भी जाना जाता है। इससे बनने में 2 साल 18 माह 11 दिन लगे।

इसे बनाने में पंडित जवाहरलाल नेहरू भीमराव अंबेडकर डॉ राजेंद्र प्रसाद अबुल कलाम आजाद का महत्वपूर्ण योगदान रहा। भारतीय संविधान दुनिया का सबसे अच्छा संविधान माना जाता है। सभी देशों के संविधान का अध्ययन करने के बाद उनमें से अच्छी अच्छी बातों को इसमें रखा गया है इसीलिए भारतीय संविधान को लचीला संविधान कहा जाता है यह दुनिया का सबसे बड़ा लिखित संविधान है। हमारे संविधान में देश का सभी नागरिक एक समान है उसमें किसी के साथ भेदभाव नहीं किया जाता है भारतीय संविधान का पहला अस्थाई अध्यक्ष डॉ सच्चिदानंद सिन्हा थे तथा स्थाई अध्यक्ष डॉ राजेंद्र प्रसाद थे। देश का संविधान 26 जनवरी 1950 को लागू हुआ था। संविधान की दृष्टि में ना कोई बड़ा ना कोई छोटा ना कोई अमीर ना कोई गरीब सभी के लिए एक जैसा दंड और पुरस्कार तथा विधि विधान है। इसीलिए भारतीय संविधान को सबसे अच्छा संविधान माना जाता है।

I look in the Mirror

I look in the mirror
And what do I see?
A pair of eyes
Looks back at me
A nose, two ears
Two eyebrows too
Two lips, and teeth,
to say

I love you”.
I look in the mirror
And what do I see?
I look in the mirror
And I see! Me!

Song on Plants

I am a plant, your friend so green,
All around you I am seen.
My main parts are the stems and
root,
Leaves, colourful, flowers and
fruits!
We are roots, underground we
grow,
In search of water, deeper we go.
We suck water through our walls,
And fix the plant do it doesn't
fall!
I am a stem and because of me,
A plant can stand upright, you
see?

I connect all parts with the roots,
To them is supply, water and
food!
I am a leaf, I'm mostly green,
In many shapes and sizes I'm
seen.
I cook food for the plant in
sunlight,
Just like you, I breathe day and
night.
I am a fruit, from a flower I grow;
I have seeds in me that you sow.
I taste sour, when I'm unripe,
Juicy and sweet when I am ripe.

TEACHERS LIKE NATURE

Nature is never biased in the distribution of its resources. Natural resources are equally available to all of us. Neither the Sun give its light to anyone more or less depending on religion or caste nor the cloud distribute its water on the basis of age. The wind, shade, fruit and flowers of trees are equally available to all similarly. We should respect nature and natural resources. We should save them from misuse and waste. By not doing this, nature makes angry on us and warns us through disasters. similarly our teachers also don't discriminate in teaching children. They tries to learn and teach each child equally. We should respect our teachers and follow the learning given by them in life. Whenever we go on the wrong path, our teachers warn us. We must obey them so that we can succeed in life.

CORONA VIRUS

Corona virus has. Infected our planet
Let's join our hands together to fight for it!!
There are no medications or vaccines for it!!
So stay at home for your health
People kill animals, cat and bat
Let's quit this habit as it's really bad!!
Corona is the revenge of mother Nature, so learn
from your mistakes for your better future!!!
Precautions are better than cure
So take care of yourself for sure don't do
handshakes, instead say NAMASTE,
that's our Indian culture anyway!!!
Let the world know the power of Indian cuisine
Which has indigents to kill the germs it means!!!
Boost your immunity and kill this demon
Consume Indian herbs for this reason
And pray for god to protect us from corona
And now or after in corona loss we win.
